what's included!

LOOKING FOR A FUN WAY TO GET TO KNOW YOUR NEW MATHEMATICIANS?

Get-to-know-you and maths mindset activity in one

No prep required — just print and let students reflect, write and set goals!

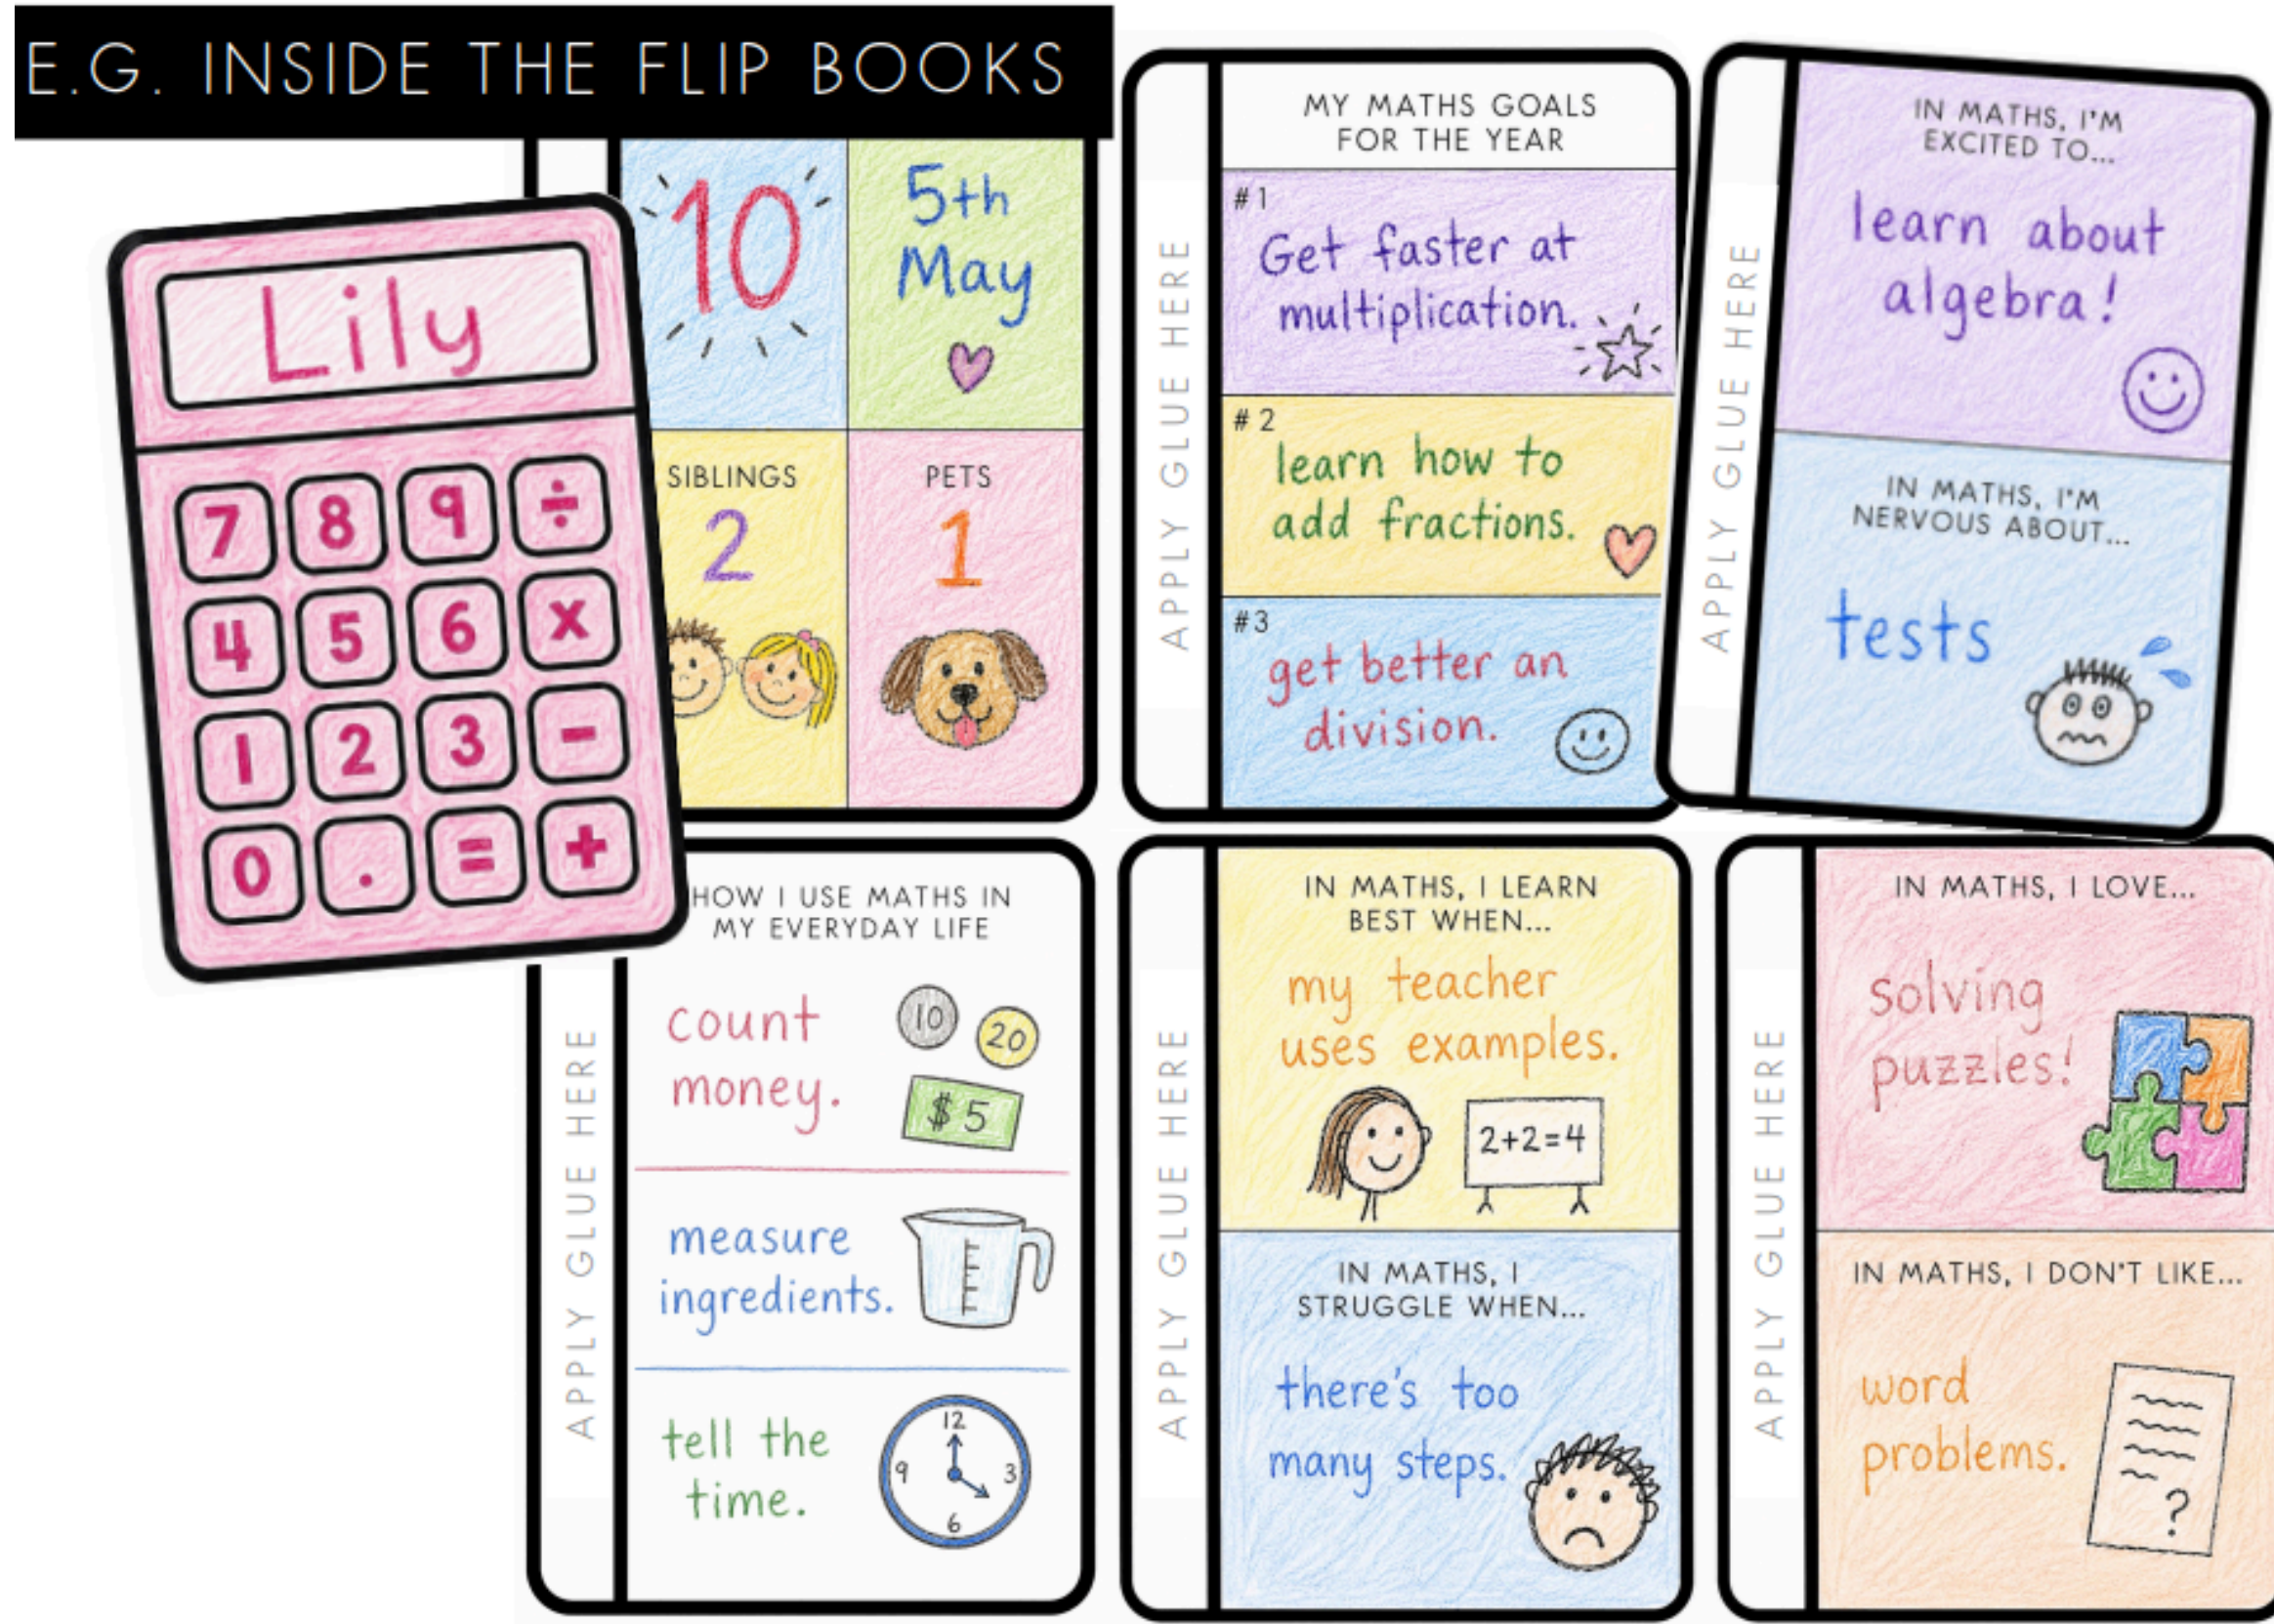

Includes blank templates for your own prompts, plus a personalised keepsake students can enjoy all year!

WELCOME TO

INCLUDES ALL THESE AND MORE!

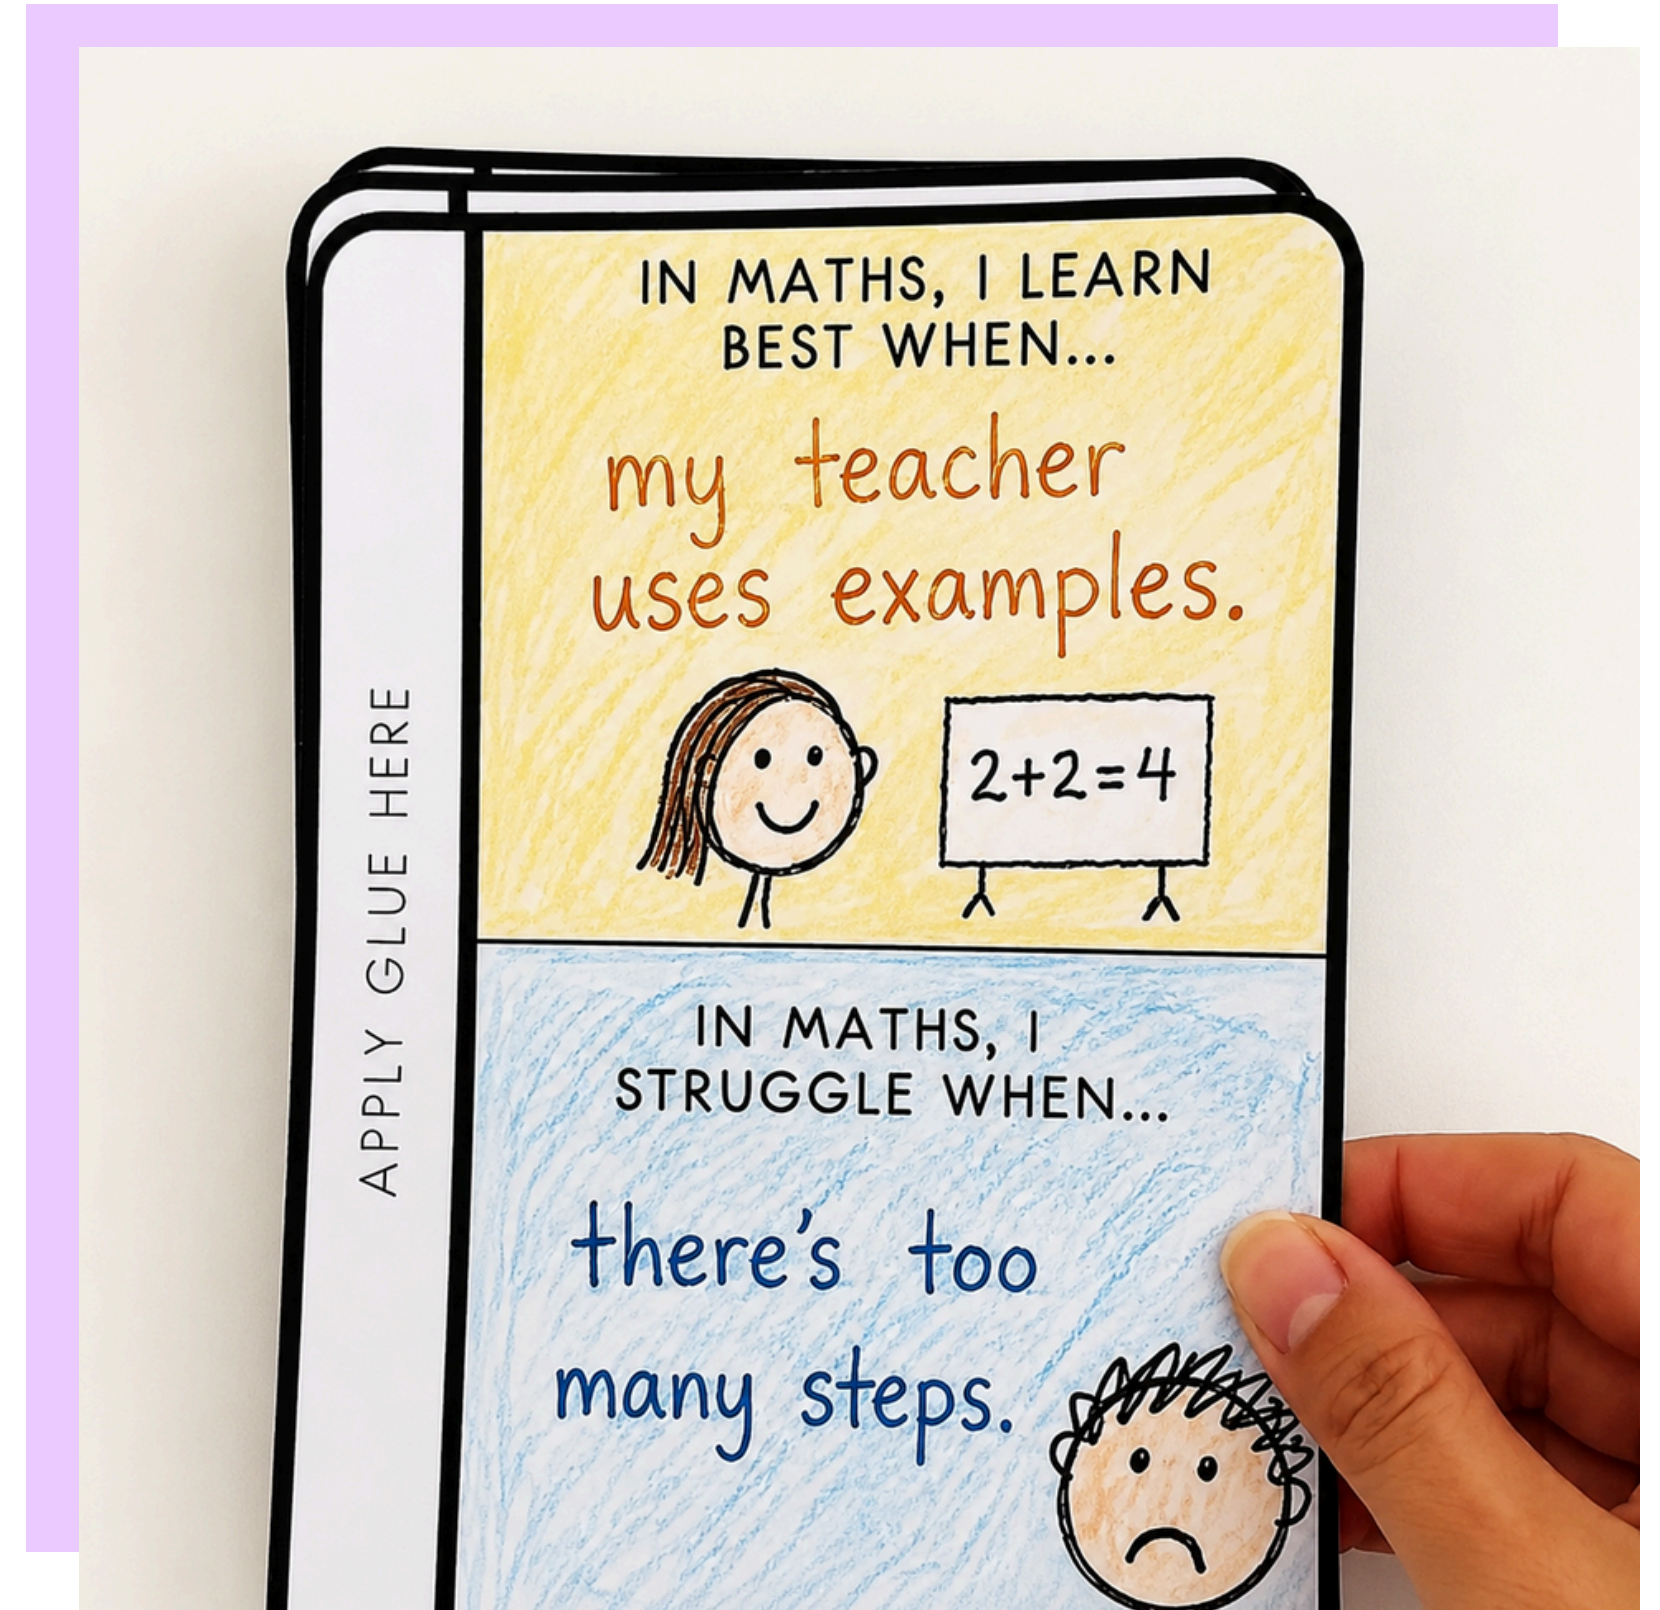

WHAT'S INCLUDED?

This Flipbook Pack Includes:

- Calculator-shaped name and cover page
- Personal details page covering age, birthday, siblings and pets
- Maths goals page with space for 3 goals
- "How I Learn Best" page exploring what helps and what feels tricky in maths

WHAT'S INCLUDED?

This Flipbook Pack Includes:

- Maths likes and dislikes page
- "Excited and Nervous" page for reflecting on the year ahead
- Everyday maths reflection page
- 2 blank template pages for your own prompts or extension activities
- Simple assembly instructions

HOW TO MAKE THE ALL ABOUT ME CALCULATOR FLIP BOOK

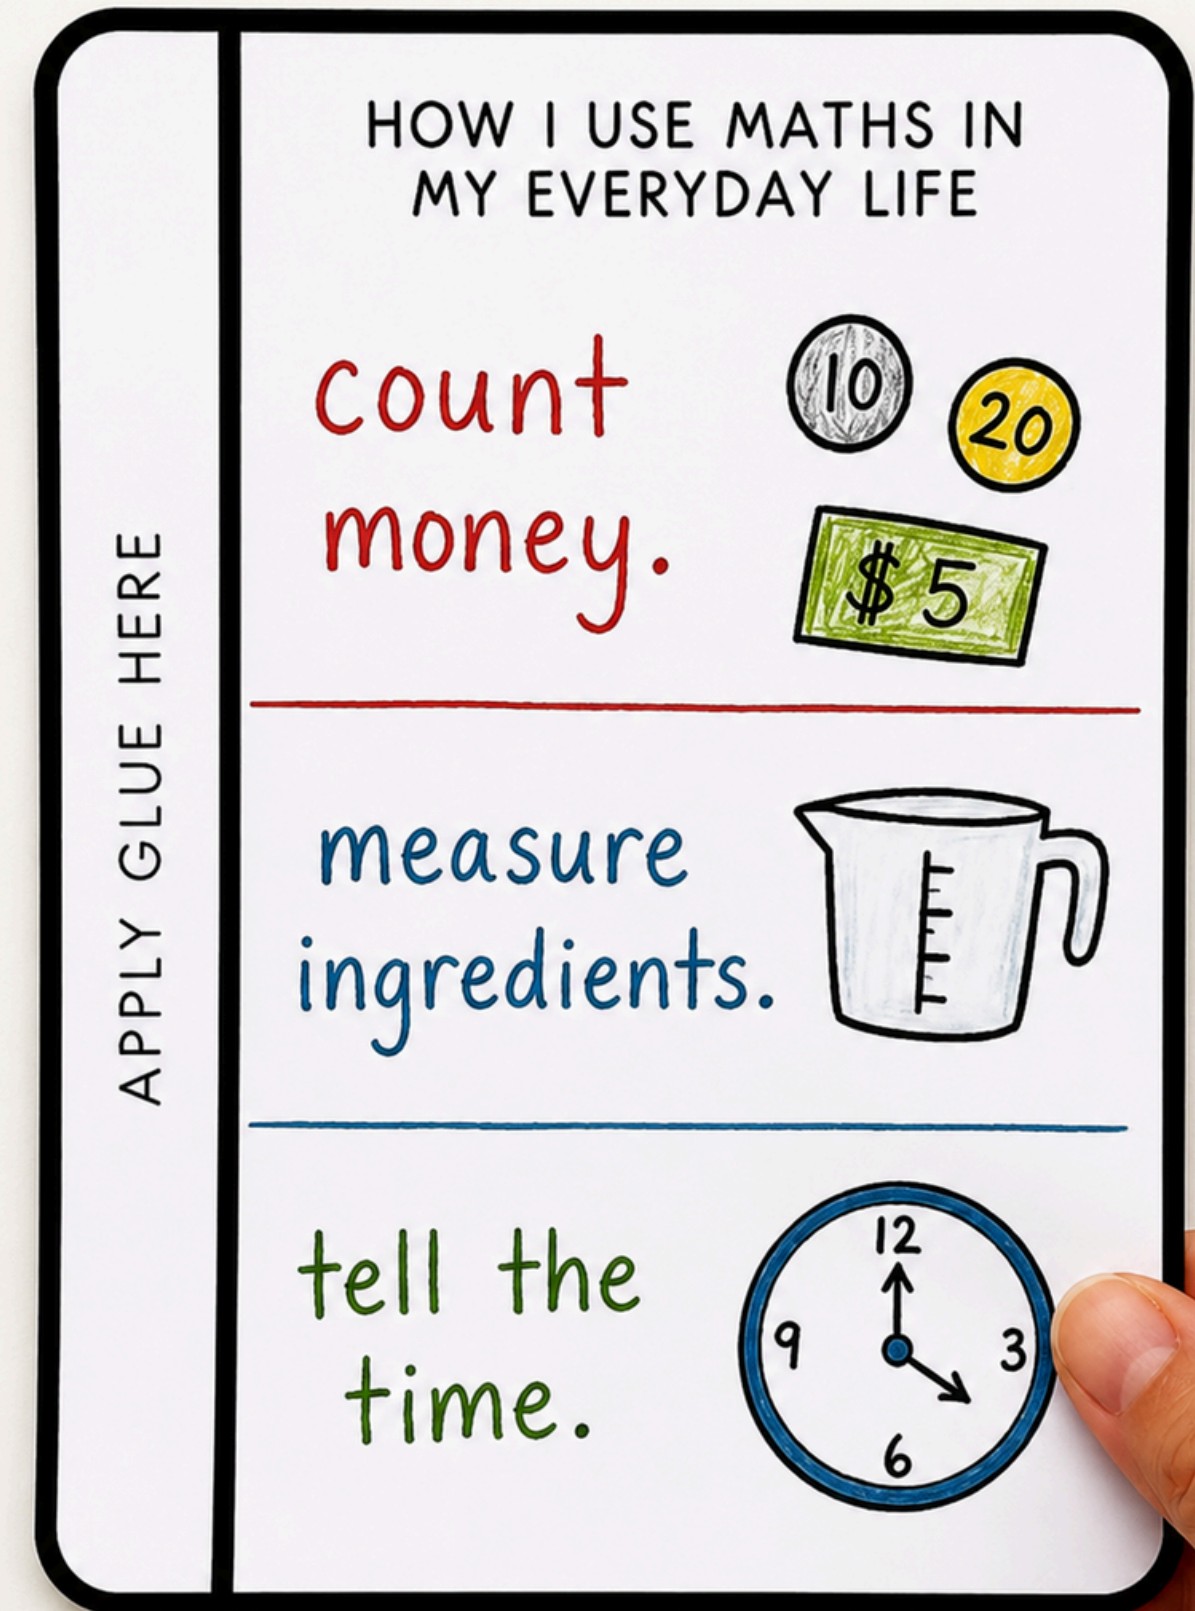

1. Complete all tasks on the 6 activity pages
2. Apply glue to the tab on the left side of each page
3. Stack your pages on top of each other, lining up the glued tabs
4. Place the calculator page on top as your cover
5. Press down firmly so all the tabs stick together

BONUS - blank templates have also been provided!

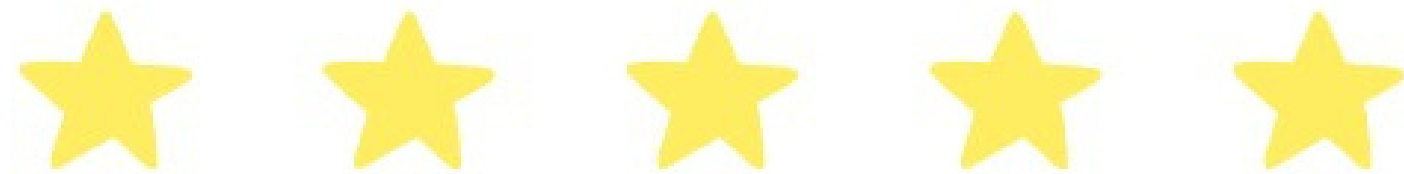

HOW YOU CAN USE THIS RESOURCE

This Flipbook is perfect for...

- ♥ A fun back-to-school or beginning-of-term activity
- ♥ Building positive maths connections through goals, reflection and everyday maths
- ♥ Creating a personalised maths keepsake or classroom display

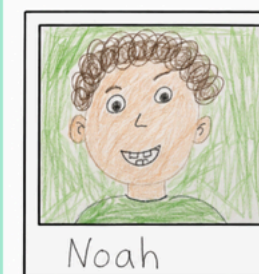

HAVE YOU SEEN THIS?

Make your maths display extra special! Students colour and create their own banner pieces, then assemble a vibrant “**Meet Our Mathematicians**” display. A fun, meaningful back-to-school activity everyone will love!
