TASK ONE

SUPPLIES NEEDED:

- Task 1 answer sheet
- Task 1 puzzle pieces
- Task 1 decoder

DIRECTIONS:

1. Carefully cut out all puzzle pieces and arrange them on the answer sheet
2. Once all the pieces have been glued down, use the decoder to match each symbol to its corresponding letter and uncover the coded message
3. Type your code in CAPITAL letters and with no spaces into the Google Form. If the code is correct, progress to the next task

TASK THREE

SUPPLIES NEEDED:

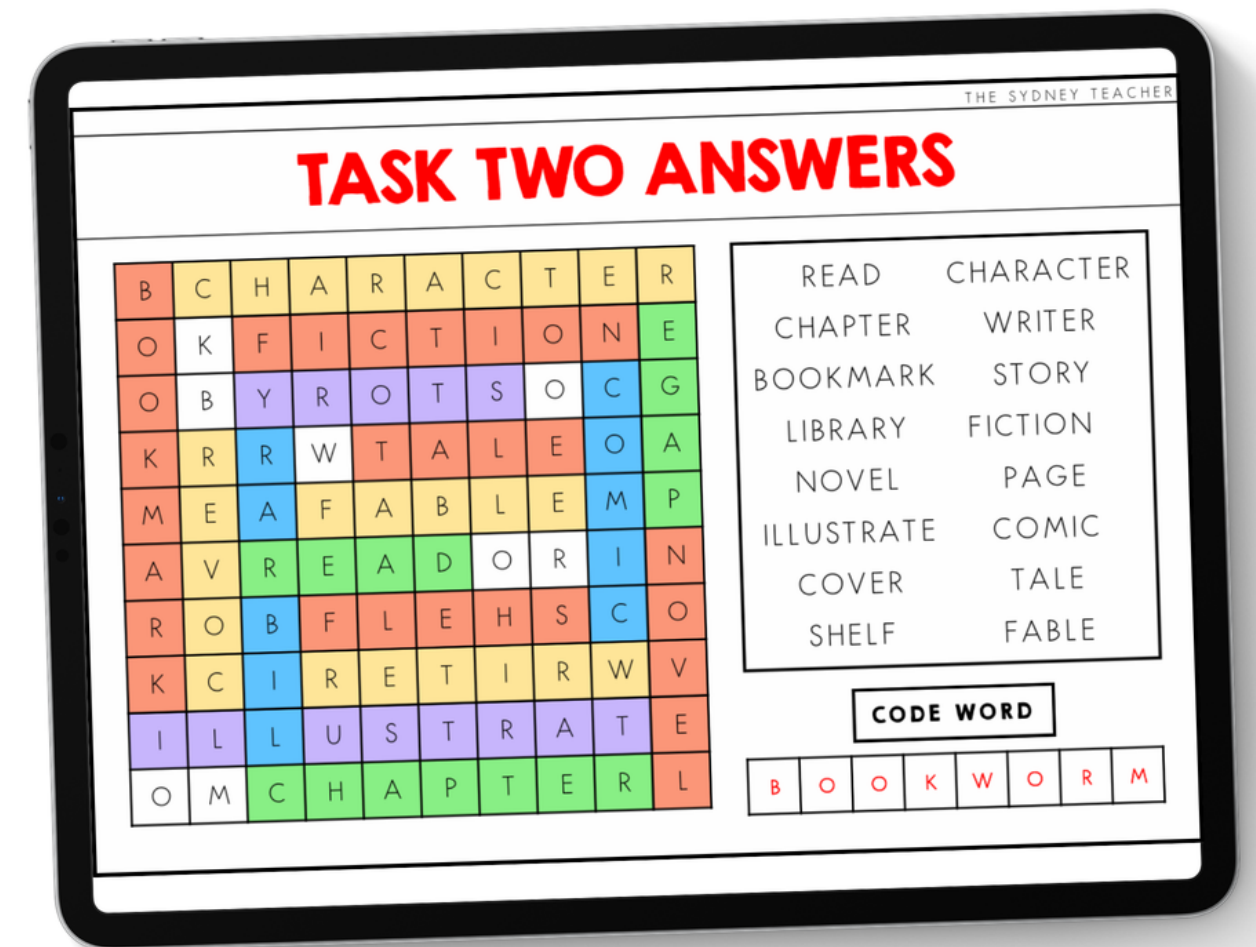

- Task 3 puzzle sheet

DIRECTIONS:

1. Cut out all puzzle blocks, then fit them onto the grid to spell 6 book-themed words, ensuring none of the images are covered. 2 letters have been provided as clues, and these can be covered
2. Once all puzzle pieces have been glued in the correct position, use the coordinates listed below the grid to find each letter. Write each letter in the empty box directly under its coordinate
3. Type the code word in CAPITAL letters into the Google Form with no spaces. If the code is correct, progress to the next task

WHAT'S INCLUDED?

- 4 engaging logic puzzle challenges that promote critical thinking and teamwork
- Access to a self-checking/marking Google Form - no teacher marking required!
- Teacher instructions and answer keys for quick and easy implementation

HOW DOES IT WORK?

- 1 Divide students into groups of 3 or 4.
- 2 Provide all groups with pages 6-15 in a plastic sleeve or folder.
- 3 Share the Google Form, either through Google Classroom or by writing the link on your board.
- 4 Ensure 1 person in the group has an iPad or access to a computer, so students can access the Google Form and check their answers are correct
Note: Students cannot progress to the next task until their answer is typed correctly in the Google Form
- 5 Display pages 4 and 5 or watch the video linked on page 3 to set the scene, then you're ready to go! (Answers page 16-19)
