WHAT OTHERS ARE SAYING!

Wow! It was **great to use the first week back** to get to know students and use as a writing assessment.

Love it! Is engaging and suited for the year level.

My students loved using this resource as a first day back activity. **They enjoyed sharing their stories** and trying to "trick" their friends.

LOOKING FOR ANOTHER GREAT WRITING RESOURCE?

“ Love that this is Australian made. **Engaging resource that can be used in a variety of ways** - as part of writing program, or literacy groups to build on explicit concepts being taught. Could also be assigned as homework. ”
