

MEET OUR MATHEMATICIANS COLLABORATIVE BANNER

Keep scrolling to see
what's included!

LOOKING FOR A PERFECT WAY TO CELEBRATE EVERY STUDENT AS A MATHEMATICIAN?

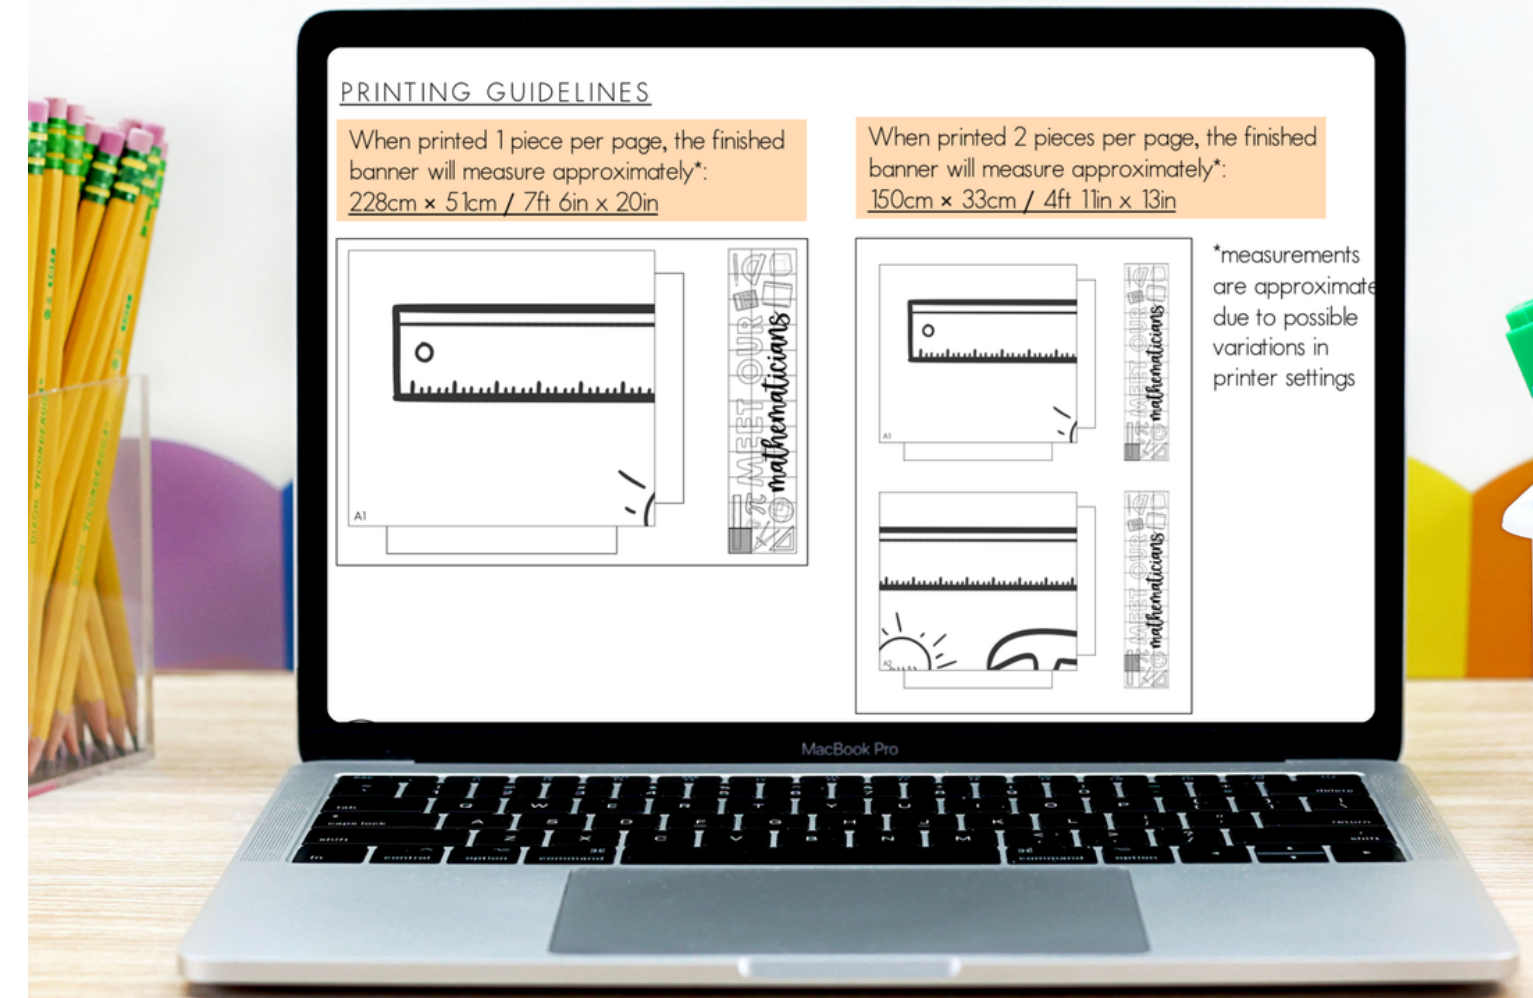

Every student contributes to one big, beautiful classroom display.

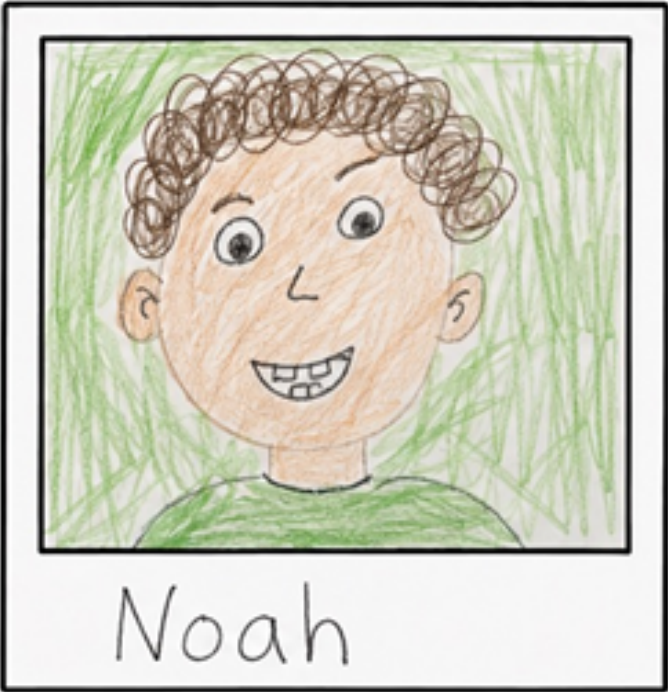

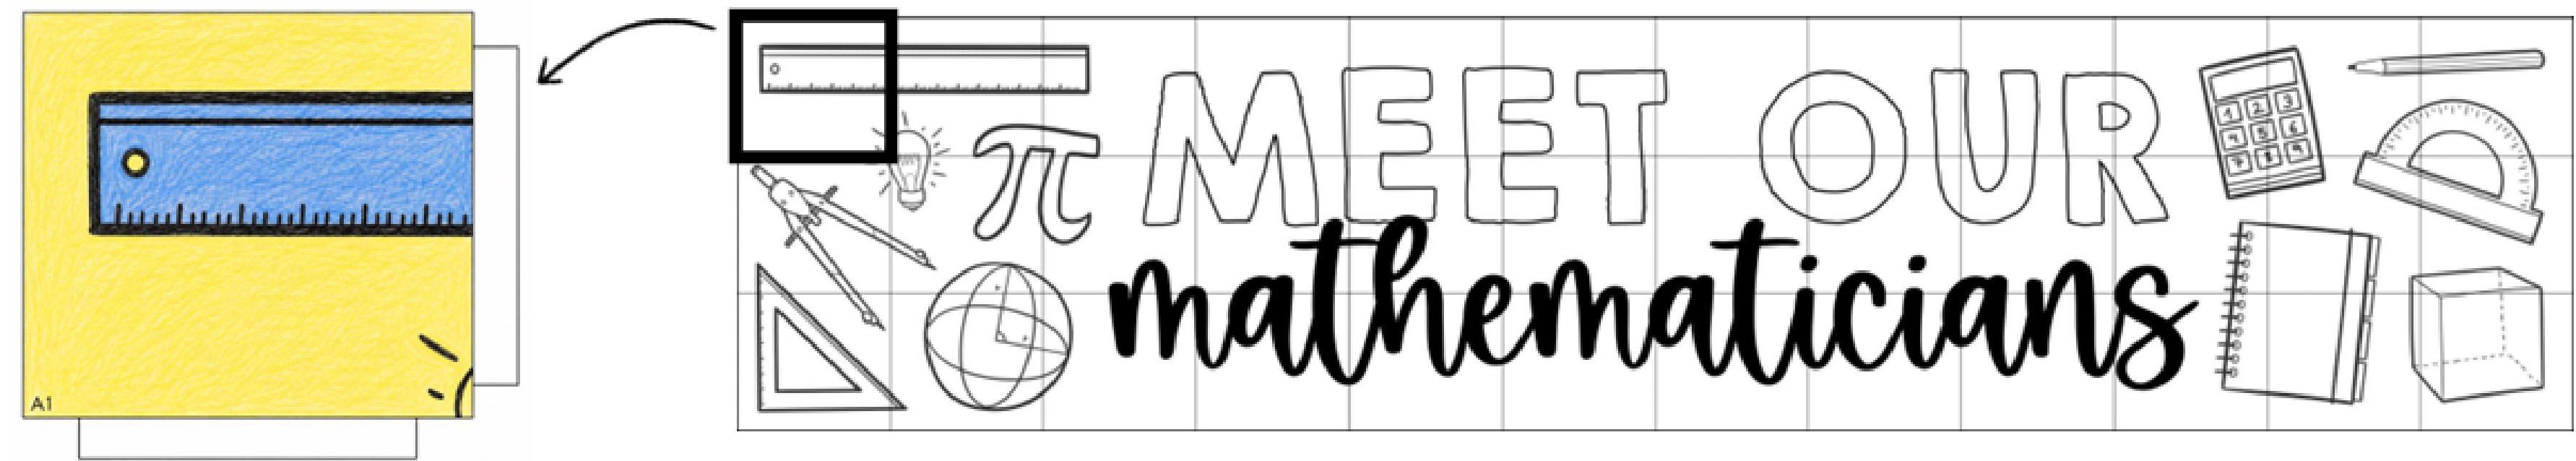

Flexible and clearly labelled pieces make it easy to create a meaningful maths display.

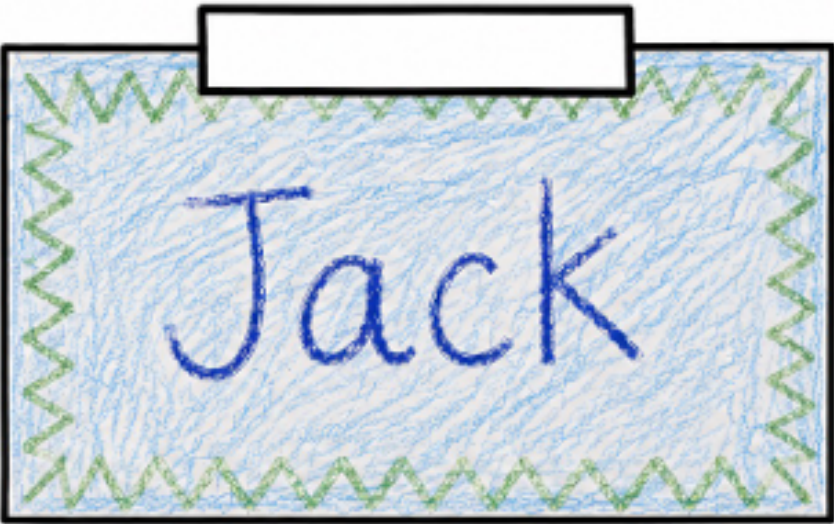

Just print, colour, cut, and glue for an easy no-prep activity.

INCLUDES ALL THESE AND MORE!

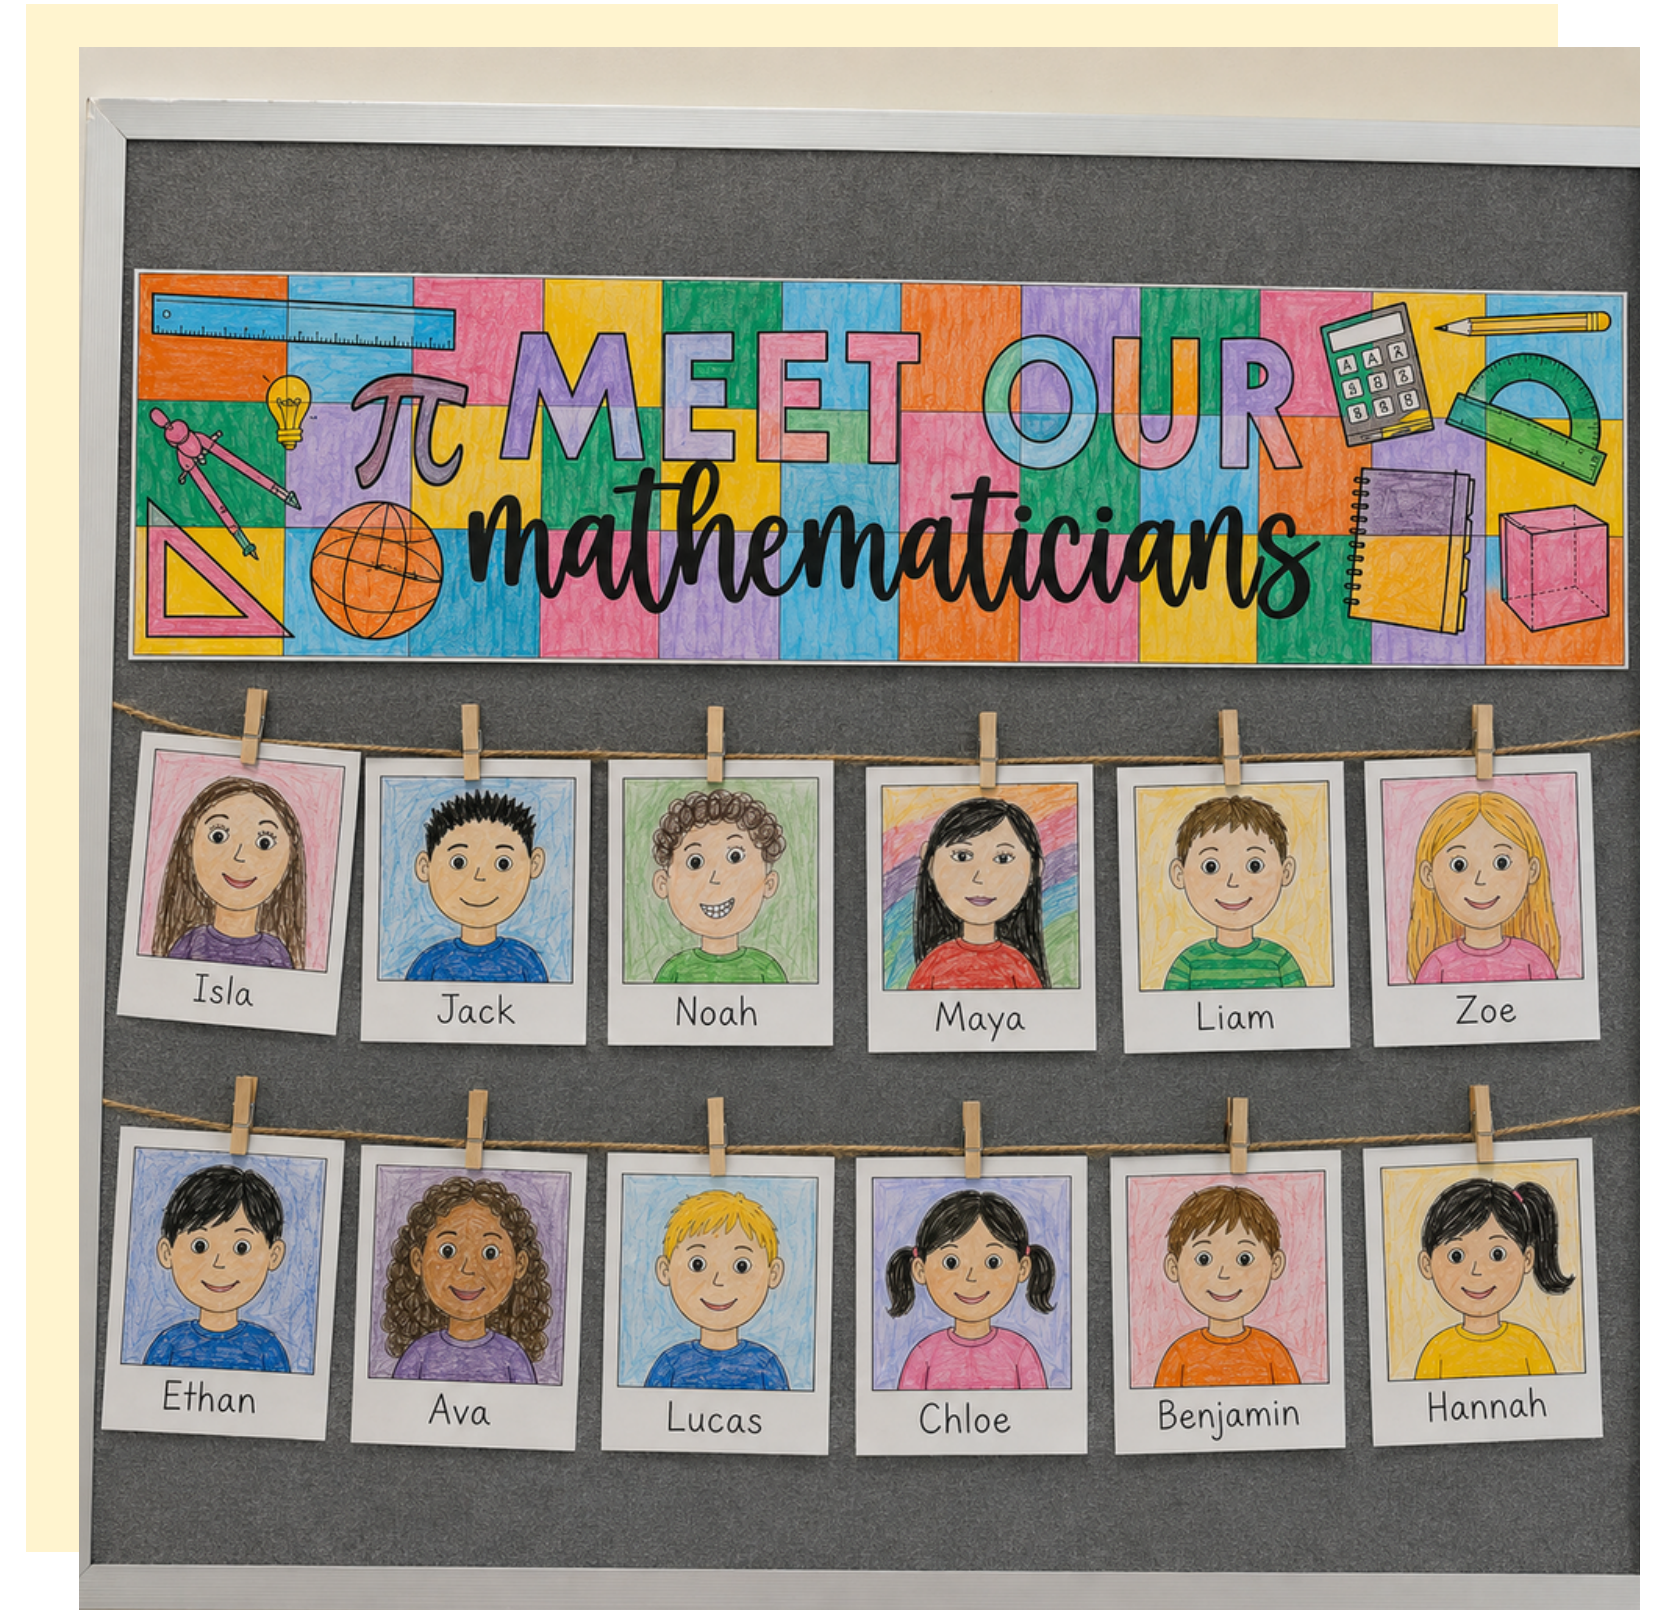

OR

WHAT'S INCLUDED?

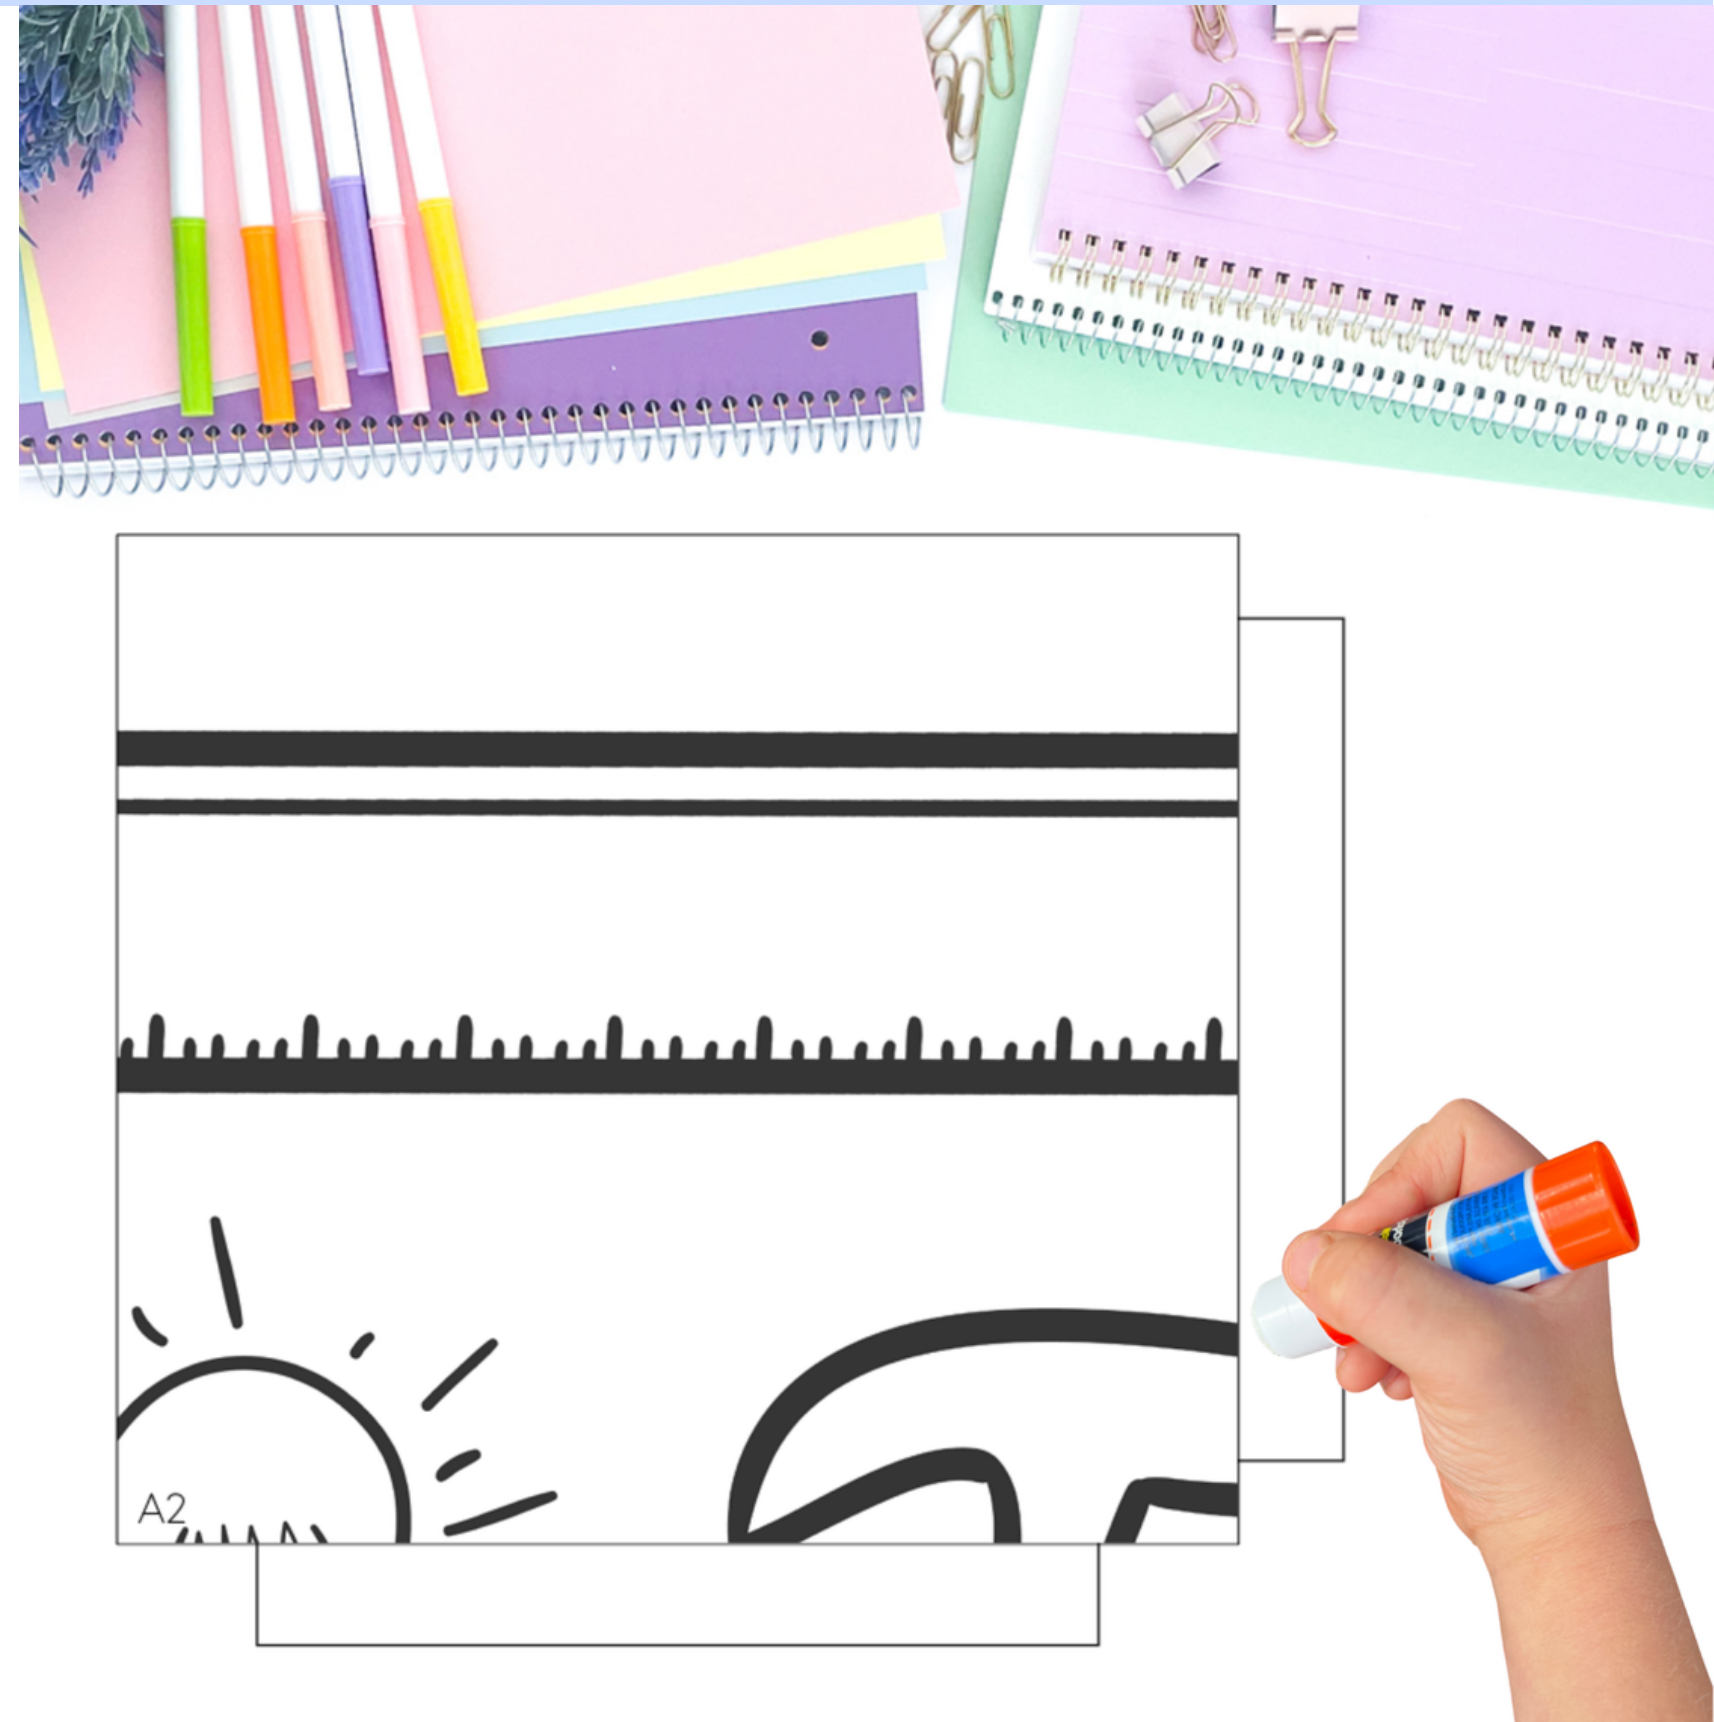

- 36 individually labelled colouring pieces (A1–A12, B1–B12, C1–C12)
- Choose from two printing sizes and assemble your display with easy step-by-step instructions
- Add personality with Polaroid-style photo and self-portrait frames plus versatile name tag templates.

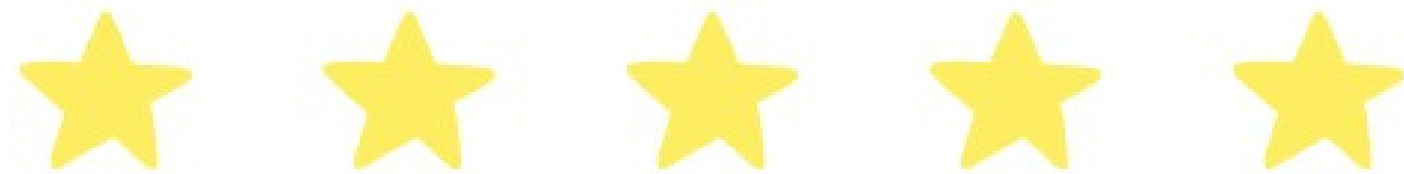

HOW YOU CAN USE THIS RESOURCE

This Collaborative poster is perfect for...

- ♥ Create a collaborative maths display that encourages teamwork, creativity and classroom community.
- ♥ Use it as a fun back-to-school or numeracy activity for students to complete together.
- ♥ Display it anywhere in your school and personalise it with student photos, self-portraits or name tags.

HAVE YOU SEEN THIS?

Make back-to-school extra special with this **Collaborative Welcome Poster**! With 35 colour-and-cut pieces, students can work together to create a bright, personalised classroom display!
