# LOOKING TO FOSTER COLLABORATION AND TEAMWORK IN YOUR CLASSROOM?

Escape Rooms provide an engaging and exciting way for students to think creatively and work collaboratively!

All puzzles are hands-on and require team work to complete!

This pack includes everything you need in an easy print and go format!

# WHAT'S INCLUDED?

♥ Access to an exclusiveand original video that sets the scene of the 'School Lockdown'

♥ 4 logic-based tasks that develop problem solving skills and require collaboration

♥ Access to a digital (Google Slide) version of the activities

♥ Access to a self-checking/marking Google Form - no teacher marking required!

And now everyone is locked inside!

SCHOOL

# HOW DOES IT WORK?

1. Play the original animation video to set the scene of the 'Emergency LockDown' and get students excited for the challenge!

2. Students work together to solve the 4 logic-based puzzles and uncover secret code messages like 'Respect' and 'Kindness'

3. Before moving from one puzzle to the next, students check their answers on a self-marking Google Sheet

4. When they have saved the school, students will receive a congratulatory message!
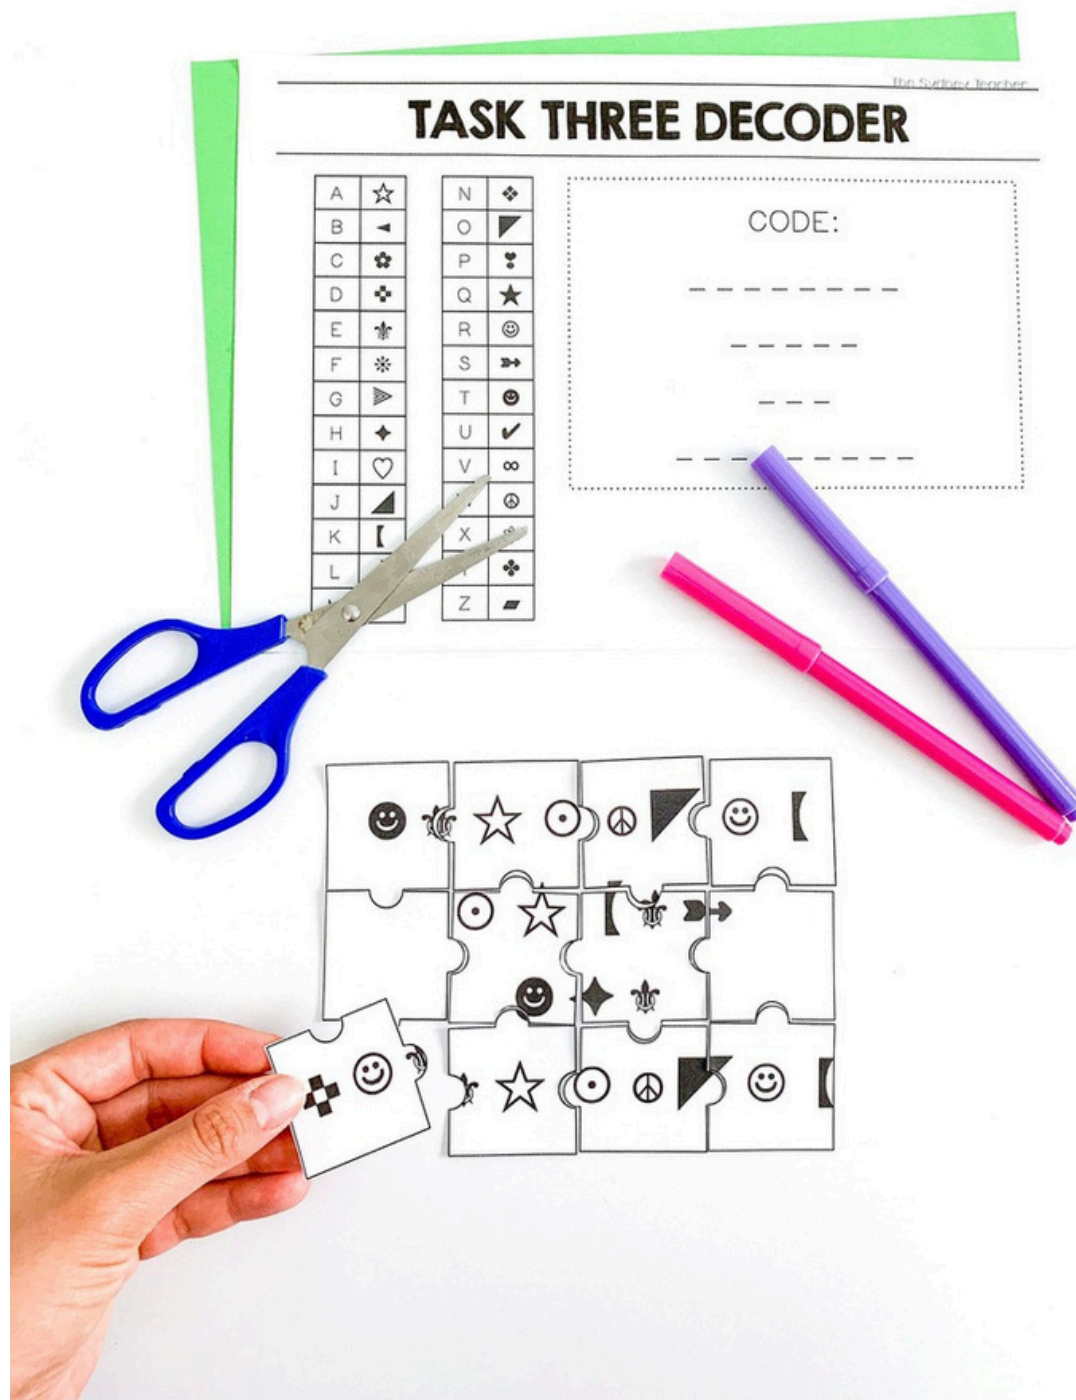

# DO IT YOUR WAY!

Print and go!

Go digital!

CODE: _____
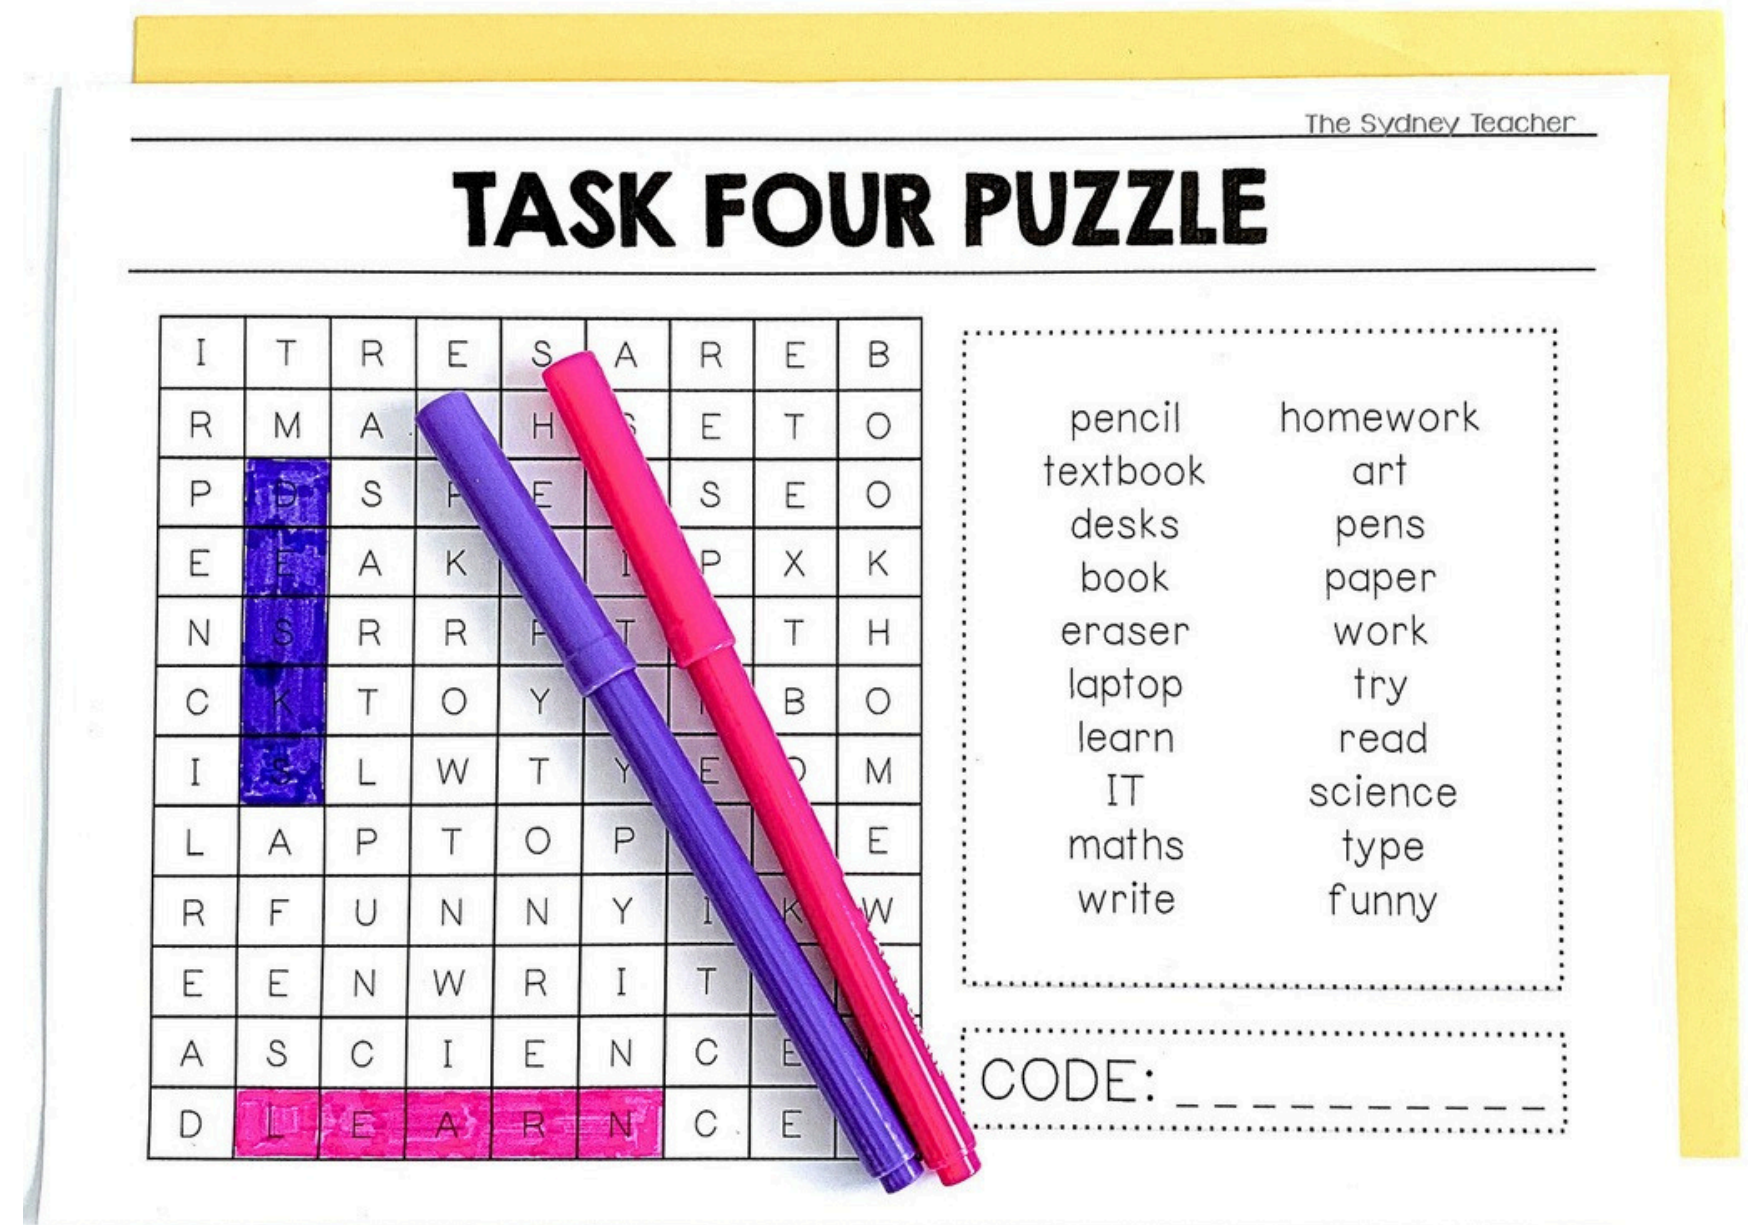

# WHAT OTHER TEACHERS ARE SAYING!

My students **LOVED this activity**! Had students work in groups and all were able to solve the task questions and were **super engaged**

My students love these puzzles. They have been **invaluable in building team work, persistence and determination** in my students. Thank you!!

My class loved this - they are **begging for more**. It was a fantastic way to practise collaborative skills as well as test out logic skills

# LOOKING FOR MORE?

★★★★★

**OMG what a resource !!**
My kids love doing these tasks. Even used them for an open classroom with parents and they loved the tasks working through them with their children.
