YEAR 3&4

WHAT OTHER TEACHERS ARE SAYING!

My students loved using this escape room! I find **it really brings them together** and challenges their thinking. **This suits all ability levels** as there is something that meets everyone's levels.

Another amazing resource! The escape rooms are **so engaging and the kids love them!** They are such a great task for the beginning of the school year (or anytime of the year!!) **Definitely recommend!**

I used this activity with my new class to start off our term. **They absolutely loved it** and are asked if we can do more activities like this. Not only was it engaging, it was also **a good opportunity for me to get an idea of each student's abilities** and how well they work in groups.

LOOKING FOR MORE?

“

Our students LOVED this resource! Can't wait to use more next year! It was great to see them develop their collaboration and communication in small groups. Great level of challenge.
