# WHAT OTHER TEACHERS ARE SAYING!

Me and my class love escape rooms! **This has been amazing to use in the last weeks of school coming up to Christmas!**

⭐⭐⭐⭐⭐

I loved watching my students work together to solve all of these problems. It was so interesting to watch those students who struggled but **they just kept going because they wanted to complete each task to escape!**

**My students absolutely loved this escape room.** We used your other ones throughout the year and they knew the format and what to expect, so **the fact that there was a Christmas version was a bonus!!**
