WHAT OTHER TEACHERS ARE SAYING!

My students love these escape rooms! So engaging and gets them thinking and problem solving. **Highly recommend!**

I loved watching my students work together to solve all of these problems. It was so interesting to watch those students who struggled but **they just kept going because they wanted to complete each task to escape!**

My students absolutely loved this escape room. We used your other ones throughout the year and they knew the format and what to expect, so **the fact that there was a Christmas version was a bonus!!**
